

April 1, 2010 Board Meeting
SE Chapter NeSPE
PB, 11:30 am

Attendees:

Ben Dey
Ryan Kosola
Stephanie Rathburn
Nathan Sorben
Karl Fredrickson

State Board Update

- Board Conference Call will be held on April 9, 2010
- The state meeting will be held in Grand Island on June 3 – 4.
- SE Chapter will be holding the state meeting in 2012, and we will need to start planning...(yes we are engineers). If golf is the alternative, try to set a date that is not near Eastern Chapter's golf tourney due to low turnout.

Chapter

- Jim Wathen is a NSPE Fellow. It was suggested that Jim have a seat on the Board to utilize his experience in Kentucky to apply them in Nebraska.
- SE Chapter's Steve Irons is assisting Steve Wadas in starting up the Student Chapter at UNL. The board received notification on the process of setting up the student chapters. Possibly look at combining some future meetings, and providing assistance in getting things running on campus.
- Discussion also included the addition of new board members similar to the Eastern Chapter. The possibility of adding Steve Irons to the board as a Student Chapter Liaison / Recruitment chair.
- Karl will contact Ed Zimmer for the potential of conducting a walking tour of Downtown. (Ed Zimmer and Jim McKee will conduct the tour on May 27 starting at 5:30 at 13th & "O" Street)
- Ryan will contact Tony to discuss Tony presenting at the April meeting. Tony's calendar is full, so SE Chapter will have to be accommodating to his time.
- The Next Board Meeting will be held at NDOR on May 14, 2010 in the Reception Area Conference Room. Jim Wathen will attend.
- Keep sending updates to webmaster@nspenebraska.org

MATHCOUNTS

Again, the board discussed the current location of the Mathcounts competition and its affect on the budget. UNL had little interest in reducing their costs to us after we had contacted them. The board will continue to look for other venues.
