Agenda announced for Ethanol 2010: Emerging Issues Forum

Limited seating still available for April 8-9 conference

The agenda for the Ethanol 2010: Emerging Issues Forum is now available. View the [agenda](#) at the Forum homepage at www.ne-ethanol.org/forum2010.

The fifth annual forum features a number of experts on topics including marketing, transportation, RINS and lifecycle emissions of the ethanol production process. This two-day conference is designed to encourage dialogue between speakers and participants.

Limited seating is still available. Participants who register before March 19 can receive the discount registration rate. [Download a registration form here.](#)

Guest speakers include Dr. Steffen Mueller, a principal economist at the University of Illinois at Chicago, discussing the emissions accounting process; Doug Durante of the Clean Fuels Development Coalition with a Washington Update; Undersecretary for Rural Development Dallas Tonsager of the USDA, and others.

Ethanol 2010: Emerging Issues Forum

April 8-9 | Magnolia Hotel | Omaha

Established in 1971, the Ethanol Board assists ethanol producers with programs and strategies for marketing ethanol and related co-products. The Board supports organizations and policies that advocate the increased use of ethanol fuels – and administers public information, education and ethanol research projects. The Board also assists companies and organizations in the development of ethanol production facilities in Nebraska. For more information, please visit www.ne-ethanol.org.
