

Dear NeSPE Members-

Please be advised that a new membership recruiting incentive program was approved by the NeSPE State Board of Directors at their last board meeting.

The NeSPE State Board of Directors approved a \$50 dollar membership recruiting incentive. We will continue to offer the 6 month free program and National will continue to offer the give back get back program. Thus, NeSPE has the following incentives to recruit new members:

- New NeSPE members can join NeSPE via the 6 month free program and take advantage of the many Chapter, State and National benefits. See attached 6 months free letter/application.
- NeSPE members will receive \$50 for each new NeSPE member they sponsor (\$50 will be payable from State). New members can join on-line at www.nspe.org. The NSPE Member will receive the \$50 incentive once the new member pays the 3-Tier dues. If the new member signs up with the 6 month free membership program the \$50 incentive is payable once the new member pays 6 months later. Effective Dates: October 1, 2011 thru September 30, 2012.
- If an NSPE member sponsors two new members within their membership year, not only will they receive \$50 from State for each paying member, but national will also waive the NSPE members national dues (\$140) via the Give Back – Get Back program. It is best to sign up two members prior to National invoicing the member.

We hope that you participate today!

Thank you,

Katy

NeSPE
